

The KD StarShade tent is a tension fabric structure supported by a single center-pole and ground up tension. At 21' high, the StarShade 800 requires a 55 foot diameter set-up area and can seat up to 88 people at banquet tables. The StarShade tents fold down into 3 carry bags, which fit in the truck of most standard vehicles. The unique design of the StarShade was invented by KD Kanopy. The six elegant arches give added visual appeal and at 7'6" high, offer ease in entering the covered area. Quickly set up the StarShade 800 in about 40-60 minutes.

HARDWARE

High strength aluminum pole with built in jack
Minimal assembly
Two people set up in 40-60 minutes
For indoor and outdoor use
Bag, spikes & stake puller included

PRINTING

Screen Print: We use a UV ink that is cured into the fabric. Durable and long lasting, allowing your logo to stand out!

Digital: Full bleed color, digitally printed with UV ink that is guaranteed not to fade and keep your graphics vibrant looking and long lasting.

Dye Sublimation: Full color transfer that is ideal for indoor shows and the material is washable.

WARRANTY

Lifetime manufacture defect warranty on pole
