Why Sponsor this Event?

Kids Mobility Network provides critical durable medical equipment such as wheelchairs, walkers, standers and other equipment to children with disabilities. We serve the uninsured and under-insured families of our community that have no other options to receive this critical medical equipment. Kids Mobility Network is the only organization of its type and the only option for these great kids. Having the proper equipment allows kids to maximize their independence, mobility and safety. It allows them to better access their community and better participate with their peers in play, school, medical services and any other activity that children enjoy to grow and develop.

Because Kids Mobility Network's mission is to serve children with disabilities, there is nothing controversial about supporting the organization and creates a positive brand association in the community.

Your participation in this event provides your organization with the opportunity to:

- Demonstrate your commitment to giving back to the community
- Associate your brand with a very reputable non-profit organization
- Provide product samples, coupons, and marketing materials to participants
- Gain market exposure for your brand and capture new customers

Pre-COVID, this event raised $80,000 to serve children with disabilities and their families. This is your opportunity join us in changing the lives of some really great kids that need our help.

TOURNAMENT VENUE

The Kids Mobility Network Charity Golf Tournament is a premier golf event. All attendees are provided with lunch, golf, unlimited access to the practice range, golf cart, snacks, soft drinks, free beer during golf, happy hour party, and a participant gift bag.

Our 2022 event will be held at the prestigious, private Meridian Golf Club - a Jack Nicklaus Championship course. The golf course offers challenging play for golfers of all types, skill levels and handicaps.

Our after-golf happy hour party takes place at the golf course in the clubhouse, patio and adjacent party tent. The venue provides easy access for sponsors, participants and other guests. The vast open spaces that a golf course offers provide adequate space to display sponsors' displays without overcrowding, which provides very good brand recognition and retention with attendees.

Our tournament provides an opportunity to play a quality, private golf course that is ordinarily only open to members and not available to the public.

You can view examples of the various canopies, banners and marketing displays that are offered to our sponsors by visiting KD Kanopy & Graphic Application's website at www.kdkanopy.com.
