

The KD StarShade tent is a tension fabric structure supported by a single center-pole and ground up tension. The StarShade 200 stands 16'5" tall and spans a 30 foot diameter. The StarShade tents fold down into 3 carry bags, which fit in the truck of most standard vehicles. The unique design of the StarShade was invented by KD Kanopy. The 4 elegant arches give added visual appeal and at 7'6" high, offer ease in entering the covered area. Quickly set up the StarShade 200 in about 40-60 minutes.

HARDWARE

High strength aluminum pole with built in jack
 Minimal assembly
 Two people set up in 40-60 minutes
 For indoor and outdoor use
 Bag, spikes & stake puller included

PRINTING

Screen Print: We use a UV ink that is cured into the fabric. Durable and long lasting, allowing your logo to stand out!

Digital: Full bleed color, digitally printed with UV ink that is guaranteed not to fade and keep your graphics vibrant looking and long lasting.

Dye Sublimation: Full color transfer that is ideal for indoor shows and the material is washable.

WARRANTY

Lifetime manufacture defect warranty on pole
